 @WICConstruction

 @WomenintoConstructionCIC

The five week programme starts on Monday 17 June and will offer you training, experience, insight and connections to help you gain a job within the construction industry.

WEEK 1 - 3

The Skills Centre, Edgware

Employability training including CV, interview skills support and speed networking.

Construction related training including Level 1 Health and Safety, CSCS Card and practical taster sessions.

WEEK 4 - 5

High quality work placement with a participating employer on site at Brent Cross Town and /or their other work locations across London.

Open to all women aged 19+, who are living in Barnet, Brent & Camden and are seeking employment.

Full 1-2-1 support will be provided by WiC, including a contribution to childcare and transport costs, whilst on placement.
